

Worksheet: My Personal Iceberg

(Instructors: Photocopy this section for student use)

Instructions: In the diagram below, label the 'Tip' with behaviors you show others. In the 'Deep' section, write the feelings you usually keep inside. Be honest and reflective.

Reflection Question: What are some of your common hidden emotions, and how do they affect your behavior?

Key Takeaways for Students

1. Exploring below the waterline is an ongoing process.
2. Understanding the iceberg builds greater awareness and stronger connections.
3. Always keep validating each other's feelings.
